A proven industry standard, the SNK-RL is the top choice among pro-sound companies and ‘A’ list touring acts.

These Ramlatch audio snakes are in a 54 pair format. Part numbers denote snake configuration, cable length, and Ramlatch color.

i.e. SNK-RL250-BL would be a 250 foot snake, with blue Ramlatch connectors installed.

RAMTECH's standard for this product would be pins to pins, although pins to sockets or sockets to sockets could be made to order. Turnaround blocks also available.
